Reference Form for the Academic Year 2019 – 2020

In evaluating applicants for a place on the Undergraduate Exchange Programme, the department will consider a student’s academic record to date, their academic potential and personal maturity. It would be helpful if you could rate each applicant on the following scales and add any comments that you believe would help the selection committee to rank order the applicants. When this reference is complete, please pass it on together with the application form to the applicant’s Senior Tutor by 9am 10th January 2020, who must forward it to the following UMS address by 17th January 2020:

Exchange Administrator, Dept. Of Engineering,
