

CAMBRIDGE UNIVERSITY ENGINEERING DEPARTMENT

UNDERGRADUATE EXCHANGES WITH OVERSEAS INSTITUTIONS 2016-17

Cambridge-MIT
Exchange (CME)

Supported by BP

Undergraduate Exchange with
National University of Singapore
(NUS)

Supported by Shell Scholarship

Undergraduate Exchange with
École Centrale de Paris (ECP)

Supported by the Erasmus
scheme

Applications are invited to these three exchange schemes. Note that a minimum standard of French will be required for participation in the ECP exchange.

Decisions on the CME exchanges will be made first.

Applicants will then be considered for the NUS and ECP schemes, and those for whom CME was first choice may be invited to submit supplementary statements to express their interest in the NUS and ECP exchanges.
